NOTICE TO BIDDERS NORTH STRABANE TOWNSHIP WASHINGTON COUNTY, PENNSYLVANIA Sealed proposals will be received by the North Strabane Township, Washington County, PA until 10:30 a.m. on April 7, 2022 to be publicly opened and read immediately thereafter for the following project: FORESTVIEW STREAM RESTORATION PROJECT This project consists

of improvements to an existing stream and installation of in-stream structures, including log vanes, rootwads, log rollovers, log steps, branch layering, and streambank regrading; installation, maintenance and removal of sediment control devices; and all associated site restoration, complete in place. All Proposals for the FORESTVIEW STREAM RESTORATION PROJECT must be in the hands of Andrew Walz, Township Manager, North Strabane Township, 1929 Route 519, Canonsburg, PA 15317, by 10:30 A.M. prevailing time, April 7, 2022. Proposals shall be delivered in a sealed envelope and clearly marked on the outside with the words "FORESTVIEW STREAM RESTORATION PROJECT" Copies of Drawings, Specifications, Instructions to Bidders, General Conditions, Forms of Proposals and Agreement are on file and open to public inspection at The Gateway Engineers, Inc., 100 McMorris Road, Pittsburgh, PA 15205 where sets of said documents may be obtained upon payment of \$ 100.00 per set. No refund will be made for the return of any documents. Pennsylvania Prevailing Wage rates are required to be paid on this Project. There will be a Forestview Stream Restoration Project mandatory pre-bid meeting on March 29, 2022 at 10:30 A.M. at the Township Building, 1929 Route 519, Canonsburg, PA 15317. Contractors who intend to bid any of the individual Contracts MUST attend the pre-bid meeting for their bid to be considered as responsive. Proposals must be submitted on the forms provided by North Strabane Township. Proposals to receive consideration must be accompanied by a Certified Check or Bidder's Bond from a Surety Company authorized to do business in Pennsylvania, made to the order of North Strabane Township in an amount equal to ten percent (10%) of the total amount of the Proposal for each separate contract as a guarantee that, if the Proposal is accepted, the successful Bidder will enter into an Agreement within thirty (30) days after Notice of Award of the Contract. The Proposals must be made to North Strabane Township, Washington County, Pennsylvania, and shall remain firm for a period of ninety (90) days. No Bidder may withdraw his Proposal during the ninety (90) day period without forfeiting his Bid guarantee. Performance, Maintenance, and Labor and Material Payment Bonds, along with Public Liability and Property Damage Certificates of Insurance in the amounts specified, as well as Certificates of Workman's Compensation must be filed with the executed Agreement upon acceptance of the Proposal from the successful Bidder. The Owner reserves the right to reject any or all Proposals, or any part thereof, for any reason, and also reserves the right to waive any informality therein. BY: Andrew Walz Township Manager 3-17,24

Permit PUBLIC NOTICE Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Marshall County Coal Resources, Inc., 46226 National Road, St. Clairsville, OH 43950, is making application to the Pennsylvania Department of Environmental Protection for an amendment to the Marshall County Mine Coal Mining Activity Permit No. 30161301 and related NPDES permit. The revision proposes 1.00 acres for the construction of the

6N1-1 degasification borehole site, access roads, and erosion and sediment control structures. The proposed revision area is located in Aleppo Township of Greene County and is on the west site of Palmer Road approximately 5,442 feet north of the intersection of Palmer Road (T304) and Quiet Dell Road (T-429). The site is located on the Cameron, WV 7 USGS map. Stream Variances are requested for the construction of the degasification borehole site within 100 feet of following six streams: 32361 Harts Run beginning approximately 5,150 feet north of the intersection of Palmer Road (T304) and Quiet Dell Road (T-429), continuing approximately 550 feet upstream. UNT 32369 of Harts Run beginning approximately 5,250 feet north of the intersection of Palmer Road (T304) and Quiet Dell Road (T-429), continuing approximately 225 feet upstream. UNT 32369 R1 of Harts Run beginning approximately 5,228 feet north of the intersection of Palmer Road (T304) and Quiet Dell Road (T-429), continuing approximately 212 feet upstream. UNT 32361 of Harts Run beginning approximately 5,679 feet north of the intersection of Palmer Road (T304) and Quiet Dell Road (T-429), continuing approximately 60 feet upstream. A copy of this application is available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423. Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, PA 15423, no later than thirty (30) days following the final (4th) publication date of this notice. 2-25,3-4,11,18
