## **Washington County Notices**

### **PLAN APPROVALS**

- **PA-63-01078A: Opal Fuels LLC**, 5087 Junction Road, Lockport, NY 14094, Robinson Township, **Washington County**. Application received: November 5, 2024. 63-01078A: Imperial Landfill Gas Company LLC (5087 Junction Road, Lockport, NY 14094). Notice is hereby given that the installation of one (1) Spark Ignition, 4 Stroke, Natural Gas-Fired, Rich Burn Engine, rated at 840 BHP equipped with a Non-Selective Catalytic Reduction Device and compressor for the transmission of pipeline quality renewable natural gas is now complete. This notice and corresponding plan approval modification will allow for the start of temporary operation or shakedown period for this facility while the permittee is working toward compliance with all applicable plan approval requirements. The facility is located in Robinson Township, Washington County at Latitude 40°, 26', 54" N and Longitude 80°, 20', 15.9936" W.
- **PA-63-00916B: Perryman Company**, 213 Vandale Drive, Houston, PA 15342, North Strabane Township, **Washington County**. Application received: November 5, 2024. The Department has evaluated and approved the request for a plan approval extension for a Titanium Conversion Facility at the Perryman Company. This will allow for the temporary operation until the plan approval 63-00916C can be issued. The new expiration date will be May 28, 2025.
- **SOOP 63-01062, Sollon Funeral Home & Cremation Svc Ltd**, 30 E College Street, Canonsburg, PA 15317, Canonsburg Borough, **Washington County**. Application received: December 13, 2023. Natural Minor Operating Permit is for a crematory facility and is located

in Canonsburg Borough, Washington County. In accordance with 25 Pa. Code §§ 127.424 and 127.425, the Department of Environmental Protection (DEP) has received an application and is providing notice that it intends to issue a new, facility-wide, State Only Operating Permit for the facility previously mentioned. Sources of emissions and control at the site consist of one (1) 150 lbs/hr Matthews IE43-PPI (Power Pak I) human crematory incinerator, and one (1) IE43-PPI Secondary Chamber. Facility-wide potential emissions are estimated at 0.58 ton NO<sub>x</sub>, 0.48 ton CO, 0.36 ton SO<sub>x</sub>, 0.1 ton VOC, 0.76 ton PM<sub>10</sub>, and 0.17 ton HAPs. At a minimum, the facility is required to conduct daily surveys of the site to ensure compliance with visible, fugitive, and malodor emission requirements and maintain records of those surveys. The air quality permit includes emission limitations, work practice standards, monitoring requirements, recordkeeping, and reporting requirements for the site. Those who wish to provide the Department with additional written information that they believe should be considered prior to the issuance of the Natural Minor State-Only Operating Permit may submit the information to Tom Joseph, Environmental Engineering Manager, Department of Environmental Protection, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. Written comments must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Operating Permit (63-01062) and concise statements regarding the relevancy of the information or objections to issuance of the Operating Permit. A public hearing may be held, if the Department, in its discretion, decides that such a hearing is warranted based on the information received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper or by the *Pennsylvania Bulletin*, or by telephone, where the Department determines such notification by telephone is sufficient. Written comments or requests for a public hearing should be directed to Tom Joseph, Facilities Permit Chief, at the previously listed address. All comments must be received prior to the close of business 30 days after the date of this publication. The application, DEP's Review Memorandum, and the proposed permit are available for public review during normal business hours at DEP's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. A file review can be scheduled through the DEP's website at <https://www.dep.pa.gov/Citizens/PublicRecords/Pages/Informal-File-Review.aspx> and by contacting Thomas Joseph, Environmental Engineering Manager, at 412-442-4336 or [tjoseph@pa.gov](mailto:tjoseph@pa.gov). Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodations to do so should contact Lauren Camarda at 412-442-4203 or the Pennsylvania Hamilton Relay Service at 1-800-654-5984 (TDD) to discuss how the Department may accommodate your needs.

## **AIR QUALITY**

- **PA-30-00072I: Consol Pennsylvania Coal Company, LLC**, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, East Finley Township, **Washington County**. For plan approval extension to authorize continued temporary operation of sources and controls associated with the Enlow Fork Overland Conveyor. Application received: October 28, 2024. Effective: November 28, 2024.

- **PA-30-00072J: Consol Pennsylvania Coal Company, LLC**, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, East Finley Township, **Washington County**. For plan approval extension to authorize continued temporary operation of sources and controls associated with the Bailey Prep Plant throughput increase. Application received: October 28, 2024. Effective: November 28, 2024.
- **PA-63-00936F: MarkWest Liberty Midstream & Resources, LLC**, 4600 J Barry Court, Suite 500, Canonsburg, PA 15317, Chartiers Township, **Washington County**. For plan approval extension to authorize continued temporary operation of air contamination sources and controls at the Houston Gas Plant. Application received: October 14, 2024. Effective: November 28, 2024.

## **Greene County Notices**

### **COAL & NONCOAL MINING ACTIVITY APPLICATIONS**

- **Mining Permit No. 30161301. NPDES No. PA0236519. Marshall County Coal Resources, Inc.**, 46226 National Road, Saint Clairsville, OH 43950, Aleppo and Springhill Townships, **Greene County**. To revise the permit and related NPDES permit to change 2,315.10 acres of the underground and subsidence control plan boundaries from development mining only to longwall mining. Application received: September 27, 2024. Accepted: November 12, 2024.

### **LAND RECYCLING AND ENVIRONMENTAL REMEDIATION**

- **Martinez # 2 Conventional Gas Well**, Primary Facility ID # **878721**, 150 Colvin Lane, Carmichaels, PA 15320, Cumberland Township, **Greene County**. Jona Stoskey, 1720 Washington Road, Suite 100, Washington, PA 15301, on behalf of Keith Eighmey, Greylock Production, LLC, 500 Corporate Landing, Charleston, WV 25311, submitted a Final Report concerning remediation of soil contaminated with brine-related parameters, including: Aluminum, Barium, Boron, Iron, Lithium, Manganese, Selenium, Strontium, Vanadium, Zinc, and Chloride. The Final Report demonstrated attainment of the Statewide health standards. Approved: November 21, 2024.

### **AIR QUALITY**

- **GP21-30-00835A: Perennial CMM Pennsylvania, LLC**, Bleeder 3 Road, Waynesburg, PA 15370, Whiteley Township, **Greene County**. The authorization under General Plan Approval and/or General Operating Permit for New Coal-Mine Methane Enclosed Flare (GP-21) has been issued to allow the construction and/or operation of one (1) 22 MMBtu/HR Perennial Energy enclosed flare at Iron Cumberland Mine (CMB 3 Borehole) located in Whiteley Township, Greene County, PA. Application received: September 25, 2024. Authorized: November 21, 2024.
- **PA-30-00072E: Consol Pennsylvania Coal Company, LLC**, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, Richhill Township, **Greene County**. For plan approval extension to authorize continued temporary operation of sources and controls associated with the Crabapple Overland Conveyor. Application received: October 28, 2024. Effective: November 28, 2024.
- **PA-30-00072H: Consol Pennsylvania Coal Company, LLC**, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, Richhill Township, **Greene County**. For plan approval

extension to authorize continued temporary operation of sources and controls associated with the Bailey Prep Plant Expansion. Application received: October 28, 2024. Effective: November 28, 2024.

- **PA-30-00072L: Consol Pennsylvania Coal Company, LLC**, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, Richhill Township, **Greene County**. For plan approval extension to authorize continued temporary operation of RACT II affected sources and controls associated with the Bailey Prep Plant. Application received: October 28, 2024. Effective: November 28, 2024.

## **Notices from The Observer-Reporter:**

- Meeting

### **PUBLIC NOTICE**

The Blaine Township Zoning Board, Washington County, Pennsylvania, will hold a meeting on December 9, 2024, at 5:00 pm, at the Blaine Township Municipal Building, 40 Main Street, Taylorstown, for the purpose of updating the Zoning Ordinance for Blaine Township.

Blaine Township Zoning Board

By: Janice M. Carroll, Secretary

12-4

- Meetings

### **PUBLIC NOTICE**

The Board of Supervisors of Buffalo Township, Washington County, Pennsylvania will hold their 2025 Reorganizational Meeting on Monday January 6, 2025, at 5:30 p.m., at the Township Building, located at 400 Buffalo Center Lane, Washington, Pennsylvania 15301 with the First Regular Monthly Board of Supervisors Meeting to Follow Immediately After.

The Buffalo Township Planning Commission of Washington County, Pennsylvania will hold their 2025 Reorganizational Meeting on Tuesday, January 7, 2025, at 6:00 p.m., at the Township Building, located at 400 Buffalo Center Lane, Washington, Pennsylvania 15301.

The Buffalo Township Zoning Hearing Board of Washington County, Pennsylvania will hold their 2025 Reorganizational Meeting on Tuesday, January 7, 2025, at 6:30 p.m., at the Township Building located at, 400 Buffalo Center Lane, Washington, Pennsylvania 15301.

The Board of Supervisors of Buffalo Township, Washington County, Pennsylvania will hold their 2025 Regular Monthly Board of Supervisors Meetings on the First Wednesday of each Month, at 6:30 p.m. at the Township Building, located at 400 Buffalo Center Lane, Washington, Pennsylvania 15301.

The Buffalo Township Planning Commission Monthly Meetings for 2025 will be the last Wednesday of every month at 7:00 p.m. on an as needed basis. The meetings will be located at, 400 Buffalo Center Lane, Washington, Pennsylvania 15301.

The Buffalo Township Zoning Hearing Board Meetings for 2025 will be held on an as needed basis as determined by the Zoning Hearing Board, Zoning Hearing Board Solicitor and Zoning Officer. The meetings will be located at, 400 Buffalo Center Lane, Washington, Pennsylvania 15301.

The public is invited to attend.

Buffalo Township

- Enlow Fork Mine

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental Protection to revise Coal Mining Activity Permit No. 30841317 and related NPDES permit for the Enlow Fork Mine.

The proposed revision adds approximately 17.7 acres of surface permit area for the installation of the G5 Panel Degas Boreholes. The facilities will be located in Morris Township, Washington County, Pennsylvania and are located on the Prosperity, PA U.S. Geological Survey 7.5 minute topographic map. The G5-1 Borehole permit area begins 0.4 miles west of the intersection of Beulah Ridge Road (T-398) and SR 4019 (Andrews Road). It continues north along an existing driveway for approximately 1580 feet varying in width between 60 and 80 feet. It then extends northwest 330 feet, then northeast 910 feet, then west 800 feet, varying in width between 120 and 200 feet. It includes both the G5-1A and G5-1B boreholes. The G5-2 Borehole permit area begins along SR 3041 (Cash Day Road), 0.4 miles north of its intersection with SR 4019 and extends to the southwest approximately 970 feet, varying in width between 130 and 245 feet. The G5-3 Borehole permit begins along Parcell Road (T-424) approximately 200 feet west of its intersection with Auld Hill Road (T-420). It continues to the north for 610 feet at a width of 120 feet, then extends northeast 480 feet, varying in width between 120 and 300 feet. The proposed permit revision includes construction of four degas boreholes, access roads, soil stockpiles, and erosion and sedimentation control facilities.

The application includes a request for variance to encroach within 100 feet of the right-of-way of the following roads: Beulah Ridge Road (T-398) beginning approximately 0.4 miles west of its

intersection with SR 4019 (Andrews Road) and continuing 100 feet west; SR 3041 (Cash Day Road) beginning 0.4 miles north of its intersection with SR 4019 and continuing 145 feet northwest; and Parcell Road (T-424) beginning 200 feet west of its intersection with Auld Hill Road (T-420) and continuing 120 feet west. The road variances are required for access for the boreholes and erosion and sedimentation control facility installation.

A stream variance request is proposed for work within 100 feet of unnamed tributary 40926 to Lick Run, located approximately 1480 feet north of the intersection of SR 3041 (Cash Day Road) and SR 4019 (Andrews Road) and continuing 375 feet upstream in a southwesterly direction. The stream variance is required for installation of the G5-2 borehole pad, topsoil stockpile, and erosion and sedimentation control facilities.

Copies of the application are available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (telephone number: 724-769-1100).

Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, at the above address, no later than thirty (30) days following the final publication date of this notice.

11-19,26,12-3,10

- Amendment

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Marshall County Coal Resources, Inc., 46226 National Road, St. Clairsville, OH 43950, is making application to the Pennsylvania Department of Environmental Protection for an amendment to the Marshall County Mine Coal Mining Activity Permit No. 30161301 and related NPDES permit. This permit application is to revise 2,315.10 acres of the underground and subsidence control plan boundaries from development mining only to longwall mining.

The proposed revision area is in Aleppo and Springhill Townships, Greene County, and can be found on portions of the Cameron, [W.Va.](#) and New Freeport, Pa. U.S. Geological Survey 7.5-minute topographic maps as well as mapping provided in the permit application. This area can be described as follows:

The permit and subsidence control plan revision area begins at a point 4,770 FT northwest of the intersection of Palmer Road and Quiet Dell Road, then 12,595 FT southeast to a point 1,920 FT northwest of the intersection of Morford Road and Jobes Run Road, then 7,815 FT southeast to a point 2,027 FT southeast to the intersection of Mt. Carmel Ridge Road and Henry Hill Road, then 13,032 FT northwest to a point 2,000 FT southwest of the intersection of Palmer Road and Harts Run Road, then 7,715 FT north to the point of origin. All distances and headings are approximate. The proposed revision requests approval to perform minor forms of stream restoration as necessary for streams located within the proposed revision area. If necessary, restoration plans will be evaluated with the PADEP and restoration plans will be implemented for minor forms of stream restoration. Stream segments anticipated to have restoration activities associated with subsidence are as follows:

Restoration area on UNT 32361 of Harts Run identified as 32361 7S3E (Station 96+13 to 100+13), which begins approximately 920 feet southwest of the intersection of Palmer Road and Quiet Dell Road and proceeds downstream approximately 400 feet in length.

Restoration area on UNT 32361 of Harts Run identified as 32361 7S4E (Station 116+18 to 118+74), which begins approximately 160 feet northwest of the intersection of Palmer Road and Harts Run Road and proceeds downstream approximately 256 feet in length.

Restoration area on UNT 32363 of Harts Run identified as 32363 7S1E (Station 64+91 to 67+00), which begins approximately 3,440 feet northeast of the intersection of Palmer Road and Quiet Dell Road and proceeds downstream approximately 209 feet in length.

A copy of the application is available for public inspection and copying for a fee, by appointment at the Greene County Register and Recorder, 10 East High Street 1st Floor, Room 100, Waynesburg, PA 15370. A copy of this application is also available for public inspection at the Department of Environmental Protection, California District Office, District Mining Operations, 25 Technology Park, Coal Center, Pennsylvania 15423. Telephone: (724) 769-110.

Written comments, objections and requests for a public hearing or informal conference may be submitted to the Department of Environmental Protection, California District Office at the above address, within thirty (30) days from the date of the final publication of this Notice and must include the persons name, address, telephone number, and a brief statement as to the nature of his or her objection.

11-15,22,29,12-6

- Bailey Mine

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental Protection to revise Coal Mining Activity Permit (CMAP) No. 30841316 and related NPDES permit for the Bailey Mine.

The proposed revision adds approximately 24.9 acres of surface permit area for the installation of the M Bleeder Powerline and Waterline. The project is located in Richhill and Center Townships, Greene County, Pennsylvania and is located on the Wind Ridge and Rogersville, PA U.S. Geological Survey 7.5-minute topographic maps. The proposed permit area begins at the proposed M Bleeder Facility, off of Claylick Run Road (SR 3022) and continues in a general westerly direction for 0.7 miles. It then turns and continues northwest for approximately 0.5 miles. It will connect to the powerline at the existing 1L Bleeder shaft facility off of Shelleby Road (T-394). The permit width varies between 100 feet and 650 feet along the powerline. The proposed permit revision includes installation of a 1.5-mile-long overhead powerline, a 1.7 mile long waterline, and erosion and sedimentation control facilities.

The application includes activities within 100 feet of the right-of-way of the following two roads: Shelleby Road (T394) beginning approximately 0.2 miles north of its intersection with Pettit Road (T-388) and continuing approximately 530 feet northeast; and Pettit Road (T-388/T-527) beginning approximately 0.4 miles northeast of its intersection with Shelleby Road and continuing approximately 735 feet northeast. The road variances are required for installation of the overhead powerline, waterline installation, and access off of the roads.

Variances are proposed for the following six streams: Jacobs Run (40709) beginning at its culvert under Shelleby Road (T-394), near the existing 1L Bleeder Facility, and continuing downstream 840 feet in a northeasterly direction; a 95 foot section of UNT 40709C to Jacobs Run, located near the outlet of the Jacobs Run culvert under Shelleby Road and continuing upstream to the southwest; the entire 133 foot length of UNT 40709D to Jacobs Run, located 355 feet downstream of the Jacobs Run culvert under Shelleby Road and continuing upstream to the northwest; UNT 40707 to Claylick Run starting at a point 630 feet north and 2420 feet east of the intersection of Shelleby Road and Pettit Road and continuing upstream 185 feet to the northeast; UNT 40706B to Claylick Run starting at a point 515 feet north and 3980 feet east of the intersection of Shelleby Road and Pettit Road and continuing downstream 505 feet in an easterly direction; UNT 40706 to Claylick Run starting at a point 520 feet north and 4975 feet east of the intersection of Shelleby Road and Pettit Road and continuing upstream 130 feet north. The stream variances are required for installation of the overhead powerline, tree cutting, waterline installation, temporary access for construction, and erosion and sedimentation controls.

Copies of the application are available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (telephone number: 724-769-1100).

Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, at the above address, no later than thirty (30) days following the final publication date of this notice.

11-27,12-4,11,18

- **Bailey Mine**

**PUBLIC NOTICE**

Pursuant to the Surface Mining Conservation and Reclamation Act, the Coal Refuse Disposal Control Act, the Bituminous Mine Subsidence and Land Conservation Act, the Pennsylvania Department of Environmental Protection Rules and Regulations and Clean Streams Law notice hereby is given that Consol Pennsylvania Coal Company LLC - Bailey Central Mine Complex CRDA No. 5 and No. 6; 1525 Pleasant Grove Road, P.O. Box J, Claysville, PA 15323 has made application to the Pennsylvania Department of Environmental Protection for renewing its existing Coal Refuse Disposal Permit No. 30080701 and the related NPDES Permit PA 0235806. The current Mining Activity Permit 30080701 was issued on June 7, 2010 and will expire on June 7, 2025. This renewal does not contain revisions to the existing operation. The receiving stream for the permit area is an unnamed tributary to Owens Run. The operation is located in Richhill Township Greene County and is known as Bailey CRDA #5 and #6. The permit area consists of 617.9 acres. The facility is located in Richhill Township, Greene County; south of the existing Bailey Central Mine Complex and north of S.R. 4007 (Ackley Creek Road), approximately 4,100 feet northwest of the S.R. 4007/S.R. 4005 intersection. The permit area is located on the Wind Ridge, PA U.S. Geological Survey 7.5 minute topographic map.

A copy of the application is available for public inspection and copying for a fee, by appointment at the Department of Environmental Protection, California District Office, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, Pennsylvania 15423. Telephone: 724.769.1100.

Written comments, objections, and requests for a public hearing or informal conference may be submitted to the Department of Environmental Protection, California District Office at the above address, within thirty (30) days from the date of the final publication of this Notice and must include the person's name, address, telephone number, and a brief statement as to the nature of his or her objection.

11-27,12-4,11,18

- Permit Renewal

PUBLIC NOTICE

Pursuant to Pennsylvania Department of Environmental Protection's Rules and Regulations, Surface Mining Conservation and Reclamation Act, Coal Refuse Disposal Control Act, the Pennsylvania Department of Environmental Protection Rules and Regulations, and Pennsylvania Clean Streams Law, notice is hereby given that Iron Emerald, LLC of 200 Evergreene Drive, Waynesburg, PA 15370, has submitted an application to the Department of Environmental Protection, District Mining Operations, for the renewal of its existing Coal Refuse Disposal Permit and the related NPDES Permit (No. PA0215201) for the Emerald Mine No. 1 Coal Refuse Disposal Area No. 2. The current coal refuse disposal permit (No. 30960701) was issued on September 29, 1999 and will expire on September 28, 2024. The receiving stream for the permit is an unnamed tributary to Smith Creek. This renewal does not contain revisions to the existing operation.

The operation/permit area is 173.3 acres and is located in Greene County, Franklin Township, Pennsylvania approximately 1.2 miles south of the intersection of State Route 21/19 (E. High Street) and State Route 218 (Smith Creek Road/S. Morgan Street), along the western side of State Route 218. The NPDES discharge point (Discharge Point 011) is located approximately 1.2 miles south of the intersection of State Route 21/19 (E. High Street) and State Route 218 (Smith Creek Road/S. Morgan Street), approximately 900 feet west of State Route 218. The site can be found on the Waynesburg U.S.G.S. 7 minute topographic map, 1.5 inches north and 11 inches west of the bottom, right-hand corner of the printed area of the map.

A copy of the renewal application is available for public inspection and copying for a fee, by appointment at the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, Pennsylvania 15423. Written comments, objections, or a request for public hearing or informal conference concerning this renewal application may be submitted to the Department of Environmental Protection at the above address no later than thirty (30) days following the final publication date (i.e. 4th publication) of this notice and must include the person's name, address, telephone number, and a brief statement as to the nature of the objection(s).

11-26, 12-3, 10, 17
