Bailey Mine

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Stream Law, the Pennsylvania Department of Environmental Protection rules and regulations, the Surface Mining Conservation and Reclamation Act, and the Coal Refuse Disposal Control Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental

Protection to revise the Bailey Coal Refuse Disposal Areas (CRDA) No. 7 and No. 8 Facility Coal Refuse Disposal Area Permit (No. 30130701) and related NPDES permit.

The proposed revision adds approximately 1.9 acres for the installation of the CRDA No. 8 Outfall Collection System Project. The facility will be located in Morris Township, Greene County; and on the Wind Ridge, PA U.S Geological Survey 7.5-minute topographic map. The permit area begins at the existing Enlow Fork Mine C2 Borehole Facility off of Valley Church Road (T-605). It extends to the northeast approximately 1000 feet and varies in width between 55 and 105 feet. The proposed permit revision includes installation of a 2,050 foot long pipeline, a new injection borehole, and erosion and sedimentation controls.

Stream variances are requested for the following four streams: Boothe Run (32755), beginning approximately 975 feet upstream of the culvert under Valley Church Road (T-605) and continuing upstream 1470 feet in a northeasterly direction; a 60-foot section of variance for UNT 32755A to Boothe Run, beginning 1115 feet north and 1020 feet east of the intersection of Valley Church Road and old Booth School Road and continuing upstream in a northerly direction; work within 100 feet of the entire 112-foot section of UNT 32755B to Boothe Run, located 1245 feet north and 1210 feet east of the intersection of Valley Church Road and old Booth School Road; and work within 100 feet of the entire 102 foot length of UNT 32755A-1 to Boothe Run, located 1200 feet north and 975 feet east of the intersection of Valley Church Road and old Booth School Road. The stream variances are requested for the pipeline installation, temporary access, and erosion and sedimentation controls.

Site activities are proposed within 125 feet of abandoned well 668 on parcel 1801-111A, located at the following coordinates: Latitude: 39.97773 and Longitude: -80.3797. The well owner is unknown. The pipeline will be installed within 125 feet of the well, however the well will not be impacted due to the installation.

Copies of the application are available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (telephone number: 724-769-1100) and at the Greene County Conservation District, Fort Jackson Building, Mezzanine, 19 South Washington Street, Waynesburg, PA 15370 (telephone number: 724-852-5278).

Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, at the above address, no later than thirty (30) days following the final publication date of this notice.

Harvey Mine

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental Protection to revise Coal Mining Activity Permit No. 30121301 for the Harvey Mine.

The proposed revision adds approximately 0.4 acres of surface permit area for the installation of the Walker B Cement Borehole. The facility will be located in Center Township, Greene County, Pennsylvania and is located on the Rogersville, PA U.S. Geological Survey 7.5 minute topographic map. The Walker B Cement Borehole permit area is located on the existing EQT Walker B Well Pad, approximately 0.8 miles northeast along the existing Scotts Run/Walker B/Patterson Creek Well Pads access road at 573 Hopewell Ridge Road (T-565). It consists of a 135 foot by 145 foot area at the northeast corner of the pad. The proposed permit revision includes installation of a borehole.

Copies of the application are available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (telephone number: 724-769-1100).

Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, at the above address, no later than thirty (30) days following the final publication date of this notice.

Enlow Fork Mine

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations, the Surface Mining Conservation and Reclamation Act, and the Bituminous Mine Subsidence and Land Conservation Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Suite 101, Canonsburg, PA 15317 is making application to the Pennsylvania Department of Environmental Protection to revise Coal Mining Activity Permit (CMAP) No. 30841317.

The proposed revision is for the addition of 4,380 acres to the Enlow Fork Mine underground permit area and underground subsidence control plan area for development mining.

The proposed revision is located Morris Township, Washington County and can be found on the Prosperity, PA U.S. Geological Survey 7.5 minute topographic map and mapping provided in the permit application.

The revision to the permit area and subsidence control plan area for development mining begins at a point approximately 4,290 feet Southeast of the intersection of Mt. Zion Road and Drun Run Road, then approximately 3,415 feet southeast of the intersection of Mt Zion Road and Dry Run Road, to a point approximately 5,660 feet southeast of the intersection of S. Bridge Road and Pleasant Grove Road then approximately 250 feet south from the intersection of Weir Cole Road and Pie Ridge Road, to a point approximately 1660 feet north of the intersection of Timberline Drive and Wilbert Way then approximately 2,025 feet northwest of the intersection of Timberline Drive and Wilbert Way to a point approximately 1265 feet West of the intersection of Timberline Drive and Wilbert Way, then approximately 15,130 feet West to the point of origin.

A copy of the application is available for public inspection and copying for a fee, by appointment at the Department of Environmental Protection, California District Office, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, Pennsylvania 15423, Telephone: 724-769-1100. A copy of this application is also available for public inspection at the Washington County Recorder of Deeds Office, 95 West Beau Street, Suite 520, Washington, PA 15301.

Written comments, objections and requests for a public hearing or informal conference may be submitted to the Department of Environmental Protection, California District Office at the above address, within thirty (30) days from the date of the final publication of this Notice and must include the person's name, address, telephone number, and a brief statement as to the nature of his or her objection.
