## **Notice Text**

Dilworth Mine

### **PUBLIC NOTICE**

Pursuant to the Surface Mining Conservation and Reclamation Act, the Bituminous Mine Subsidence and Land Conservation Act, the Pennsylvania Department of Environmental Protection Rules and Regulations, and the Pennsylvania Clean Streams Law, notice hereby is given that CONSOL Mining Company LLC, 275 Technology Drive, Suite 101, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental Protection to renew its existing coal mining activity permit 30841313 and the related NPDES permit and add 0.5 acres to the surface permit boundary. The current permit was issued on August 13, 1986 and expires on August 12, 2026.

This operation, known as the Dilworth Mine, is located in Cumberland Township, Greene County. The permit consists of 11,336 underground permit acres and 59.9 surface acres. The receiving stream is the Monongahela River.

The surface area is situated along the Monongahela River near the intersection of River and Crucible Roads. The underground permit area is located on Carmichaels and Mathers USGS 7.5 Topographic Maps.

A copy of the application is available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, California Technology Park, 25 Technology Drive, Coal Center, PA 15423 (telephone: 724-769-1100). Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection at the address above no later than thirty (30) days following the final publication date of this notice.

## **Notice Text**

Tunnel Ridge

### **PUBLIC NOTICE**

Pursuant to the PENNSYLVANIA CLEAN STREAMS LAW, the PENNSYLVANIA DEPARTMENT OF ENVIRONMENTAL PROTECTION Rules and Regulations, the SURFACE MINING CONSERVATION and RECLAMATION ACT, and the BITUMINOUS MINE SUBSIDENCE and LAND CONSERVATION ACT as amended, notice is hereby given that Tunnel Ridge, LLC, doing business at 878 Old Brick Road, West Alexander, PA 15376, has made application to the Pennsylvania Department of Environmental Protection to revise the pending Tunnel Ridge Mine permit (CMAP 63091301) to install the Rock Dust Borehole Site. The permit includes a modification of an existing NPDES permit (PA0236004).

The revision proposes 3.55 acres for the construction of the borehole site, access road, and erosion and sediment control structures. The proposed revision area is located on the west side of Waynesburg Road (T425) approximately 1,680 feet south of the intersection of Old National Pike and Waynesburg Road. The site is located on the Valley Grove, PA 7 USGS map.

Stream Variances are requested for the construction of the borehole site within 100 feet of following streams:

UNT 32471 to Middle Wheeling Creek beginning approximately 1,070 feet northeast of the intersection of Old Brick Road and Greaves Road, continuing approximately 670 feet upstream for the purpose of constructing an access road and erosion and sediment control facilities.

UNT 32471 R4 to Middle Wheeling Creek beginning approximately 1,150 feet northeast of the intersection of Old Brick Road and Greaves Road, continuing approximately 460 feet upstream for the purpose of earthwork for the borehole pad and constructing erosions and sedimentation controls.

The following road variance has been requested for activities within 100 feet of Waynesburg Road.

A road variance for Waynesburg Road (T425) begins at a point approximately 1,680 feet south of the intersection of Old National Pike and Waynesburg Road, traveling approximately 380 FT

along the western side of Waynesburg Road for construction of an access road and erosion and topsoil stockpile.

A copy of the application is available for public inspection, and copying for a fee, by appointment, at the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, PA 15423. Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, PA 15423, no later than thirty (30) days following the final publication date of this notice.

Enlow Fork Mine

### **NOTICE OF INFORMAL PUBLIC CONFERENCE**

Notice is hereby given that the Pennsylvania Department of Environmental Protection, District Mining Operations, has received an application from Consol Pennsylvania Coal Company, LLC to revise the Enlow Fork Mine permit, Permit No. 30841317 located in Morris and Richhill Townships, Greene County. The revision includes the addition of 4380.0 underground and subsidence control plan acres for development mining.

The Department will hold an Informal Public Conference at the Morris Township Municipal Building, 77 Park Drive, Prosperity, PA 15329, on Wednesday, April 8, 2026, beginning at 6 p.m.

Department staff will provide a brief presentation regarding the proposed activities in the application. Immediately following the presentation, the Department will hold an open forum

with attendees to answer general questions regarding the permit application and permitting process. Mapping will be available for attendees review with Department staff to assist with questions. Department staff will be available to receive both written and oral testimony regarding the application. Testimony will be placed into public record for the application and considered by Department staff in the application review process.

The California District Mining Office will accept additional written comments prior to and up to two (2) weeks after the date of the proceeding until April 22, 2026.

If you are a person with a disability wishing to attend this open house and require an auxiliary aid, service or other accommodation to participate in the proceedings, please contact Lori Jenkins at (724) 769-1023 to discuss how we may accommodate your needs. If necessary, you may use the AT&T Relay Service by calling 1-800-654-5984 (TDD Users) or 1-800-654-5988 (Voice users) and request that your call be relayed to Lori Jenkins at (724) 769-1023.

Copies of the application are on file for public review by appointment at Department of Environmental Protection, District Mining Operations, California District Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423. Please call or email Lori Jenkins (724-769-1023 or [lorjenkins@pa.gov](mailto:lorjenkins@pa.gov)) to inquire about electronic application review options.

Bailey Mine

### **PUBLIC NOTICE**

Pursuant to the Pennsylvania Clean Stream Law, the Pennsylvania Department of Environmental Protection rules and regulations, the Surface Mining Conservation and Reclamation Act, and the

Coal Refuse Disposal Control Act as amended, notice is hereby given that Consol Pennsylvania Coal Company LLC, 275 Technology Drive, Canonsburg, PA 15317, has submitted an application to the Pennsylvania Department of Environmental Protection to revise the Bailey Coal Refuse Disposal Areas No. 5 and No. 6 Facility Coal Refuse Disposal Area Permit (No. 30080701).

The proposed revision adds approximately 0.1 acre of permit area for the SP01 to A6 Pipeline Project. The facility will be located in Richhill Township, Greene County; and on the Wind Ridge, PA U.S Geological Survey 7.5-minute topographic map. The added permit area begins approximately 3,150 feet northwest of the SR 4007 (Ackley Creek Road) and Day Road intersection. It extends to the northwest along SR 4007 approximately 250 feet and varies in width between 0 and 30 feet. The proposed permit revision includes installation of a 1,500-foot long pipeline and erosion and sedimentation controls. The majority of the new pipeline will be installed within existing the permit area.

Stream variances are requested for two sections of Owens Run (32700). The first section begins approximately 3,150 feet northwest of the SR 4007 and Day Road intersection and continues approximately 330 feet downstream in a westerly direction. The second section begins approximately 4,100 feet northwest of the SR 4007 and Day Road intersection and continues approximately 300 feet downstream in a westerly direction. A stream variance is also requested for a 60 foot section of UNT-OR to Owens Run beginning at the culvert under SR 4007, located approximately 4,400 feet northwest of the SR 4007 and Day Road intersection, and extending upstream in a northerly direction. The stream variances are requested for grading, pipeline installation, and erosion and sedimentation controls.

The application includes a request for variance to encroach within 100 feet of the right of way of two sections of SR 4007. The first section begins approximately 3,150 feet northwest of the SR 4007 and Day Road intersection and continues approximately 340 feet in a westerly direction. The second section begins approximately 4,100 feet northwest of the SR 4007 and Day Road intersection and continues approximately 300 feet in a westerly direction.. The road variance is required for grading, pipeline installation, and erosion and sedimentation controls.

Copies of the application are available for public inspection, and copying for a fee, by appointment at the Pennsylvania Department of Environmental Protection, California District Mining Office, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (telephone number: 724-769-1100) and at the Greene County Conservation District, Fort Jackson Building, Mezzanine, 19 South Washington Street, Waynesburg, PA 15370 (telephone number: 724-852-5278).

Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, at the above address, no later than thirty (30) days following the final publication date of this notice.

### PUBLIC NOTICE

#### PENNSYLVANIA PUBLIC UTILITY COMMISSION

Transmission Lines; Telephonic Prehearing Conference

A-2026-3060856. NextEra Energy Transmission MidAtlantic, Inc. Application of NextEra Energy Transmission MidAtlantic, Inc., Filed Pursuant to 52 Pa. Code Chapter 57 Subchapter G, for Approval to Site and Construct a 500 kV Transmission Line Associated with the MidAtlantic Resiliency Link Project Located in Portions of Greene County and Fayette County, Pennsylvania.

Brief Description and Purpose of the Proposed HV Line: The MidAtlantic Resiliency Link Project ("MARL Project") involves the construction of a new, approximately 107.5-mile 500 kilovolt ( kV ) transmission line across portions of Maryland, Pennsylvania, West Virginia, and Virginia, and the construction of a new Woodside 500/138 kV Substation in Virginia. Through this Application, NextEra Energy Transmission MidAtlantic, Inc. ("NEET MA ) seeks approval of the siting and construction of the approximately 10.7-mile Pennsylvania Portions of the MARL Project, which will extend from the existing FirstEnergy Corp. 502 Junction Substation in Greene County, Pennsylvania for approximately 2.7 miles to the West Virginia Border, extend through West Virginia for 3.1 miles, and then re-enter Pennsylvania in Greene County, and traverse through Greene and Fayette Counties for 8.0 miles before proceeding back into West Virginia. NEET MA is obligated by PJM Interconnection, L.L.C. ("PJM") to construct the Pennsylvania Portions of the MARL Project in order to address significant and widespread reliability criteria violations on the Bulk Electric System that serves the PJM Region.

Formal Protests and Petitions to Intervene: Formal protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before Friday, May 1, 2026. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission ("Commission"), 400 North Street, Harrisburg, PA 17120, with a copy served on the undersigned and current parties to this proceeding. Protests and petitions to intervene may also be filed electronically through the Commission's e-filing system at <https://efiling.puc.pa.gov>. The Application and documents filed in support of the Application are available for inspection and copying at the Office of the Secretary between 8 a.m. and 4:30 p.m., Monday through Friday, at the Commission's website at [www.puc.pa.gov](http://www.puc.pa.gov), and at the Company's business address.

Applicant: NextEra Energy Transmission MidAtlantic, Inc.

Through and By Counsel: David B. MacGregor, Esquire, Post & Schell, PC, 17 North Second Street, 12th Floor, Harrisburg, PA 17101-1601; Garrett P. Lent, Esquire, Post & Schell, PC, 17 North Second Street, 12th Floor, Harrisburg, PA 17101-1601; Hayley E. Wilburn, Esquire, Post & Schell, PC, 17 North Second Street, 12th Floor, Harrisburg, PA 17101-1601; Tracy C. Davis, Esquire, NextEra Energy Transmission, 5920 West William Cannon Drive, Bldg. 2, Austin, TX 78749; Anna Galanis, Esquire, NextEra Energy Transmission, 700 Universe Boulevard, Juno Beach, FL 33408.

#### Telephonic Prehearing Conference

An initial telephonic prehearing conference on the previously-captioned case will be held as follows:

Date: Wednesday, May 6, 2026

Time: 10 a.m.

Presiding: Administrative Law Judge John M. Coogan

Phone: (717) 787-1399

At the previously listed date and time, individuals must call into the telephonic prehearing conference. Individuals will not be called by the Presiding Officers.

To participate in the telephonic prehearing conference, individuals must:

Dial the following toll-free number.

Enter the PIN number when instructed to do so, listed as follows.

Speak the individual's name when prompted.

The telephone system will connect individuals to the telephonic prehearing conference.

Toll-free Conference Number: 888-456-5124

PIN Number: 9563241

For individuals who require an interpreter to participate in the telephonic prehearing conference, the Commission will make every reasonable effort to have an interpreter present. Call the Scheduling Office at the Commission at least 10 business days prior to the prehearing conference to submit your request.

Scheduling Office: (717) 787-1399

Pennsylvania Hamilton Relay Service number for persons who are deaf or hearing-impaired:  
(800) 654-5988

The Commission offers a free eFiling Subscription Service, which allows users to automatically receive an e-mail notification whenever a document is added, removed or changed on the Commission web site regarding a specific case.
