Notice Text

TUNNEL RIDGE

PUBLIC NOTICE

Pursuant to the PENNSYLVANIA CLEAN STREAMS LAW, the PENNSYLVANIA DEPARTMENT OF ENVIRONMENTAL PROTECTION Rules and Regulations, the SURFACE MINING CONSERVATION and RECLAMATION ACT, and the BITUMINOUS MINE SUBSIDENCE and LAND CONSERVATION ACT as amended, notice is hereby given that Tunnel Ridge, LLC, doing business at 878 Old Brick Road, West Alexander, PA 15376, has made application to the Pennsylvania Department of Environmental Protection to revise the pending Tunnel Ridge Mine permit (CMAP 63091301) to install the 4L-1 Ventilation Borehole Site. The permit includes a modification of an existing NPDES permit (PA0236004).

The revision proposes 1.50 acres for the construction of the borehole site, access road, and erosion and sediment control structures. The proposed revision area is located on the north side of Green Haven Road (T420) approximately 1,465 feet southwest of the intersection of Green Haven Road and Ranch Road. The site is located on the Claysville, PA 7 USGS map.

Stream Variances are requested for the construction of the borehole site within 100 feet of following streams:

UNT 32682 L5 to Robinson Fork beginning approximately 1,564 feet southwest of the intersection of Green Haven Road and Ranch Road, continuing approximately 500 feet upstream for the purpose of utilizing an access road.

The following road variance has been requested for activities within 100 feet of Green Haven Road.

A road variance for Green Haven Road (T420) begins at a point approximately 1,465 feet southwest of the intersection of Green Haven Road and Ranch Road, traveling approximately 45 FT along the northern side of Green Haven Road for utilizing an access road.

A copy of the application is available for public inspection, and copying for a fee, by appointment, at the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, PA 15423. Written comments, objections, or a request for an informal conference may be submitted to the Department of Environmental Protection, District Mining Operations, 25 Technology Drive, California Technology Park, Coal Center, PA 15423, no later than thirty (30) days following the final publication date of this notice.
